Paysharp
Secure & Fast

Our technology and payment solutions subsidiary, Ziltch1 Technologies Limited, has launched the PAYSHARP Mobile App, providing users with a seamless, secure, and convenient platform for digital transactions.

Available on both the Apple App Store and Google Play Store, the application enables users to purchase airtime and data, pay utility bills, and access a wide range of digital payment services. Users also enjoy cashback rewards on qualifying transactions, creating even greater value and convenience.

The launch further demonstrates Ziltch1's commitment to advancing digital innovation and financial inclusion across Nigeria. Learn more at www.ziltchone.com

In the News: PAC Capital's MD, Humphrey Oriakhi Featured in The Energy Year

Africa's energy sector is entering a defining era of growth, investment, and transformation. In a recent feature by The Energy Year, PAC Capital's Managing Director, Humphrey Oriakhi, shared insights on structuring bankable projects, navigating investment complexities, and unlocking opportunities across Africa's energy value chain.

The feature highlights PAC Capital's role in delivering strategic financial solutions that connect transformative projects with long-term capital, reinforcing our commitment to driving sustainable development across the continent.

At PAC Capital, we continue to deliver borderless capital solutions that transform potential into performance. Visit www.paccapitaltd.com to learn more.

Deep Dialogues: Insights That Inspire

At PanAfrican Capital, continuous learning remains central to our culture. During the first half of the year, several webinars brought together experts and stakeholders to discuss critical economic, investment, and wealth management topics.

PAC Asset Management hosted Outlook 2026: Policy Reforms, Market Direction & Winning Investment Strategies, providing clients and prospects with practical guidance for navigating evolving market conditions and identifying investment opportunities.

PAC Trustees organized How Trust Structures Prevent Loss of Assets for Businesses and Individuals, highlighting the importance of estate planning, fiduciary services, and wealth preservation strategies.

PAC Foundation also hosted From Skills to Earnings, empowering participants with actionable strategies for converting skills into sustainable income opportunities.

Watch all webinar replays on our YouTube channel: PanAfrican Capital Holdings - YouTube.

Celebrating Our Wins!

The first half of 2026 has been marked by remarkable achievements across the PAC Group, with multiple international and local recognitions affirming our commitment to excellence, innovation, and sustainable impact.

PAC Foundation Advances Digital Inclusion with Girls Can Code Cohort 4.

PAC Foundation has officially commenced the fourth cohort of its **Girls Can Code (GCC)** programme, reinforcing its commitment to advancing digital inclusion and empowering young women with future-ready technology skills.

Following a competitive selection process that attracted over **1,000 applications**, **30 outstanding participants** were selected to undergo an intensive 12-week training programme in **Data Analysis** and **Cybersecurity**, delivered in partnership with **NextQuantum Academy**.

Beyond technical training, the programme includes mentorship and career readiness sessions designed to equip participants with the practical skills and confidence needed to thrive in the digital economy.

Through Girls Can Code, PAC Foundation continues to bridge the gender gap in technology by creating opportunities that empower young women to build successful careers and contribute meaningfully to Africa's growing digital ecosystem. Visit www.thepacfoundation.org.com to get learn more about our initiatives.

Media Spotlight with PAC Research

PAC Research continued to provide thought leadership across major media platforms, including CNBC Africa, Channels Television, Smooth FM, and Arise News.

The team shared valuable insights on key economic and sectoral issues, including developments in Nigeria's retail sector, fintech growth, capital importation trends, inflationary pressures, and the outcomes of the CBN's 305th Monetary Policy Committee Meeting.

These engagements reinforce PAC Research's position as a trusted source of market intelligence and economic analysis.

In Loving Memory of Our Chairman

Dolapo Atekoja

Announcement of the Passing of the Chairman, PAC Holdings Limited

Dear Colleagues,

It is with profound sadness and heavy hearts that we announce the passing of our esteemed Chairman, Mr. Dolapo Atekoja, Chairman of PAC Holdings Limited.

Our Chairman was a visionary leader, distinguished statesman, and remarkable pillar of wisdom and guidance whose legacy transcends business achievements and will continue to inspire generations across our Group and beyond. Through his unwavering commitment to excellence, integrity, leadership, and nation-building, he left an indelible mark on everyone privileged to work with and learn from him.

Beyond his remarkable accomplishments, he was a source of guidance, strength, and inspiration to many who had the privilege of working with him and benefiting from his wealth of experience and leadership. His passing is an immense loss to the PAC family and all who encountered his extraordinary life of service.

During this difficult time, we extend our deepest condolences to his family, loved ones, associates, friends, and all members of the PAC Holdings family.

As we honour his memory and remarkable contributions, all staff are kindly requested to observe a one-minute silence at the commencement of every meeting held throughout this week across the Group, in tribute to his life, service, and enduring legacy.

We ask that everyone keeps his family and loved ones in their thoughts and prayers during this period of mourning.

May his gentle soul rest in perfect peace.

Signed by Board and Management, PAC Group.

Events: Moments that Mattered

Here's a snapshot of our standout moments this half-year:

Celebrating International Women's Day 2026 at PAC

PAC Capital Participates as Sponsor at International Energy Week

PAC Capital Team Meets His Excellency, Adama Barrow, President of The Republic of the Gambia to strengthen partnerships and advance Africa's investment future.

PAC Capital Team at Investing in African Mining Indaba 2026

PAC Registrars at Fortis Group Insurance PLC Annual General Meeting

PAC Trustees Engages NYSC Corps Members on Financial Literacy

Tergo Energy GM, Isioma Martins at the 3rd Diversity SWG Annual Women in Oil and Gas Conference

PAC Celebrates the Breaking of Fast – Lent & Ramadan

PAC Capital Team at the Financing Investment and Trade in Africa (FITA2026) Conference, Tunis.

PAC Capital Team at the Unity Cup 2026

PAC Holdings represented by Head of Strategy & Execution Planning at the Global Growth Conference, Rabat, Morocco

PAC Capital Team at the African Development Bank Group Annual Meetings, Brazzaville, Republic of Congo

PAC Foundation Hosts Financial Literacy Day for LASU Students

PAC Foundation, in collaboration with PAC Asset Management, successfully hosted a Financial Literacy Day Sensitization Programme for students of the Faculty of Management

Sciences, Lagos State University (LASU).

Held under the theme Financial Intelligence for Life: Making Smart Money Decisions in a Changing Economy, the programme equipped students with practical knowledge on budgeting, savings, investing, debt management, and financial planning.

Through expert-led presentations, panel discussions, and interactive sessions, participants gained valuable insights to help them develop healthy financial habits and make informed financial decisions.

Visit www.thepacfoundation.org for more information on our initiatives.

Thank you for being part of our journey.
Let's celebrate together!
